SYMMETRY

TWELVE COLOURS

ONE SIZE

ONE FINISH

Symmetry explores shape with a distinctive scale format. Featuring twelve gloss colours, varying from wintry White to vibrant Flame and blood red Raspberry, Symmetry offers both neutral and vivid tones. The colour palette pairs with the unique scale shape to make this range a striking choice. Try combining shades of Zinc, Harebell, and Cloud for an oceanic effect.

Harebell, Cloud and Zinc Gloss 150x135x10mm Scale - SYM08A, SYM09A and SYM10A

Flame Gloss 150x135x10mm Scale - SYM03A

Important Information

During the manufacturing process of ceramic and porcelain tiles, some variation in shade and pattern can occur. Before fixing any tiles; several boxes should be opened and their contents mixed to ensure that size, colour and patterning are acceptable.

The tiles shown in this literature are quality products and conform to BS EN 14411 as shown in the physical properties listed above.

For a comprehensive colour, size, finish and availability overview along with full technical and sustainability information for all products shown, please visit our website - www.johnson-tiles.com

- All sizes listed are metric modular.
- For specific suitability details, please contact our technical advice helpline or use the email address provided.
- Johnson Tiles Limited cannot accept responsibility for any tiles that have already been fixed.
- Johnson Tiles Limited reserves the right to change specification and availability information without prior notice.
- Nothing in these statements does or will affect the statutory rights of the consumer.

All product technical values quoted in this literature are supported by laboratory testing from our own and independent ceramic test houses. Johnson Tiles Limited are British Standard registered. To find out more, please contact our technical advice helpline on +44 (0)1782 524 111 or email: technical@johnson-tiles.com.
